

3-Day Time Detective

Guess. Clock. Compare. Then change one thing.

1. GUESS

How many minutes will the whole routine take?

2. CLOCK

Time it from the real start to the real finish.

3. COMPARE

What took longer than you expected?

ROUTINE I AM TRACKING

What counts as the real start?

What counts as completely finished?

AFTER DAY 3

One step I usually forget to count:

The time I will begin next time:

The one adjustment I will keep:

CALM COACHING QUESTION

What did the numbers teach you about tomorrow's plan?

Use the timer to collect information. Choose one adjustment at a time. Educational coaching tool only.
